## ABOUT US

Hope you find our page interesting. We are trying our best to provide you extremely best services with no complaints.

But yes somewhere we got late to post the art works and photography works just because of the Contests or Promotions which are made on the post. Extremely sorry for that.

We always cares about you, so don't hassitate, share with us, if you are facing any problem.

## RECENT UPDATES

1. We are now Facebook now (FB: CAPPINTEREST). You also can ask us to add in whatsapp group.
2. We also started with shayari sharing and also you can come and confess anything. In confession we will not disclose the name and will tag that person to whom you want to convey the message.
3. We are also conducting contests, as contests had also started on the page.
4. Digital Certificates use: Will be given Priority. They can ask us for story shoutout at any time. We are happily going to give.

## WINNERS

For Cap\_Pinterest: -We had started contests too, where we share the pictures related to photography, art, creativity.

We had conducted the Superhero's theme for the month of September and results are pending for the same. Many people had taken part in that theme.

Still you can vote the works in that theme.

For **October month** the theme is "Sensuous, feelings, emotions, sensitive. Many people had also taken part in this theme.

We Will announce the Winners for both this theme in our Event.

Winners will also be rewarded with certificate and amazing gifts in the event. They can also share their art works with us in the event.
